

# Creative Team Ministry Guide

The purpose of the creative team is to provide photos, graphics, and videos to support the church and promote a modern and innovative method for spreading the gospel.

## Videos

The creative team provides a number of videos to announce upcoming events, share church initiatives, and record what God is doing in people's lives through stories. We use a variety of technologies including the Adobe Creative Cloud Suite, Final Cut Pro, and more. The choice depends on the technology you're comfortable using and can support the needs of the church.

## Graphics

Compass North Church has a need for printed graphics as well as digital graphics. Graphics include but are not limited to: seat drops, invite cards, sermon graphics, and social media graphics. We primarily use Adobe Creative Cloud, but for quicker on-the-go graphics, mobile apps such as Adobe Post and inShot can be used.

## Photos

We love to share what's happening in our church and one way to invite somebody through the doors to a weekend experience or another event is through photography. Compass North Church is considered to be a place where privacy is not expected, however we want to honor each person who walks through the door, so we respectfully follow requests to not photograph individuals if they ask. Our Compass Kidz team has parents fill out media releases for minors, however not every parent agrees to have their kids' photo taken, so when needed, coordinate with the Compass Kidz team to identify kids who should not have their picture taken.

## Team Expectations

### Be Respectful

While we may not always agree, it's important to align to church vision and the direction of its pastors and leaders. We also honor each person who walks through the doors or attends events because we're called to serve them.

### Be Responsive

Life at Compass North can move quick. We don't require you to be glued to your phone all the time, but as a courtesy please respond to all messages within a day unless you're on vacation.

### Attend Dream Team Events

They are super fun! We only have a couple a year, but they help us connect with the larger Dream Team and celebrate what God is doing in our church.

### Don't Take It Personally

We can put a lot of time and ourselves into a creative project, however we should remain open to constructive criticism. Sometimes the art we produce is not in vision with our pastors and leaders.

Welcome to the Compass North \_\_\_\_\_ Team.

We are so excited you are joining the Dream Team. By checking each line & signing below indicates you have read through the guidelines for the team you have chosen and that you align with the expectations of your specific team as well as the below listed expectations of our Compass North Dreamteam members. Thank you for being willing to serve and doing your best to uphold the heart and culture of Compass North church.

\_\_\_\_\_ I have completed all 3 sessions of Path

\_\_\_\_\_ I am in alignment to the full beliefs of Compass North Church.

\_\_\_\_\_ PCO (Planning Center Online) I have downloaded the app and understand how to use it. I will respond(accept or decline) to scheduling requests within 24 hours. I will use the block out dates when out of town or have other obligations.

\_\_\_\_\_ Slack (Each teams way of sharing important information quickly and efficiently) I have downloaded Slack app and commit to check slack at least once per day.

\_\_\_\_\_ I have received my team shirt and will wear it and nametag when serving.

\_\_\_\_\_ I will arrive for serving 30 minutes prior to church service and be at my post 20 minutes prior to church service. If I am serving at 9 am I will attend the Huddle at 8:30 am.

\_\_\_\_\_ I am willing to serve a minimum of once per month (2 x per month is preferable)

\_\_\_\_\_ Serve one Attend one: I understand when I am serving, I will make it a priority to attend one service. Your spiritual life is important, we want you to be filled.

\_\_\_\_\_ Guest Aware: Whether serving or not, I will be mindful of new guests & introduce myself, help them find whomever invited them, introduce them to someone at Connect Center.

\_\_\_\_\_ Serving is working for God. I will remind myself and politely delay non-serve related conversations until after I am finished serving.

\_\_\_\_\_ Church Aware: A clean environment is part of our guests impression of Compass North church. I will pick up and dispose of empty coffee cups & water bottles. If I see a spill or mess of any kind, I will clean it up or bring it to the attention of someone who can.

\_\_\_\_\_ I understand I am expected to participate in trainings/meetings/and Dream team parties.

\_\_\_\_\_ Join a Life Group: Taking rows to circles. Small groups are where we study God's word and build lasting relationships. Most Life Groups are 8 week sessions. Freedom groups 12 wks. I will participate in a life group and when ready I will lead a life group.

\_\_\_\_\_ I plan to complete Next steps for my spiritual growth: LP1, LP2, and Freedom Group.

\_\_\_\_\_ I have completed LP1

\_\_\_\_\_ I have completed LP2

\_\_\_\_\_ I have completed Freedom (including conference)

\_\_\_\_\_ Being on the Dreamteam is an honor and a privilege. I will be mindful of how I am representing Compass North Church and the love of Jesus every day and every where, not just at church on Sunday.

\_\_\_\_\_ Social Media(WWPJP-what would Pastor Joe post) Remember it's your church family, Directors, Dreamteam members and their families, friends, coworkers & sometimes kids seeing your posts. I promise to be mindful of what I post on social media.

Thank you so much for being willing to serve the Kingdom of God. If you have any questions or concerns please take them to your team Director or Assistant Director. Pastor Joe Hunt
