# KINGDOM BUILDERS

*"THAT ALL MAY HEAR"*

# KINGDOM BUILDERS

## 2022

Jesus Christ said while on earth, “I will build my church and the gates of hell will not prevail” (Matthew 16:18). Kingdom Builders is our way of leading this commission through a faithful community, passionate about generosity.

This community, open to all, is built of individuals and families that prayerfully commit to give, over and above their tithes, to global missions, community outreach, and local church expansion.

The Bible shows us that Jesus gave all He had to reach the lost, and that there is no greater love than this. This year, now more than ever we are committed to doing our part in bringing the message of hope and salvation to the rest of the world. Everything we do today is about building His Church. Nothing can stand in His way and wherever the Church is needed most, Kingdom Builders is going to be there.

Now more than ever, we give so that all may hear.

In Christ,  
Pastors Joe & Sharla Hunt

# CHURCH DEVELOPMENT

## *Online Campus*

### *Development & Expansion*

In a digital world, the potential to reach people for Christ in the online space is significant, and our online campus serves as an opportunity for people all around the world to check out Compass North Church and experience a service. As the church grows in influence, social media will also grow in importance as an evangelism tool as more and more will come to recognize Compass North's, and more importantly, Jesus' presence in the online space.

## *Second Campus*

Compass North Church is called to expand out of Akron with additional campuses. We would like to launch a second campus in a strategic location in the region, and doing so would allow for us to reach more people as we expand our footprint in communities throughout Northeast Ohio.

## *Redesign Kids and Youth Spaces*

Compass Kidz has been growing rapidly as new families have made Compass North Church their home church. Around 100 kids or more are checked into classrooms each Sunday which put a strain on available rooms to hold lessons and make each child feel welcome. Compass North Church is called to reach the next generation because we know that they're not next, they're now. Their impact will serve many generations to come. The redesign of kids and youth spaces will allow for more room and activities for the kids to enjoy while they learn about Jesus. To make room for additional kids classrooms, office space within the church will be repurposed which means we'll need to find a new space for staff offices. With the transformation of old offices and our growing number of staff, a new space would allow the staff to continue to grow and execute the vision of the church.

# LOCAL

## *RAHAB Ministries*

RAHAB offers real and effective solutions to combat human trafficking. The streets are where RAHAB began, and it's foundational still today because they pursue the women right where they are at. Drop-in homes are places where women can stop in for family-style meals, Bible studies, encouragement, and friendship. Jail ministries allow volunteers to connect with women who have been incarcerated through jail visits, and leading group Bible studies which typically see more than 50% participation. RAHAB also has safe housing for women to heal from the trauma of sex trafficking. In these safe homes women often experience healthy community for the first time and take cooking and exercise classes.

## *Hope United*

Hope United stands to fight addiction with compassion, education, and continued support. This is done through addiction awareness which breaks barriers, support through local meetings and for the children who have lost a parent or family member to addiction, and ongoing support through counseling, coaching, recovery coaches, and offering events to make meaningful social connections.

## *Dream Center*

A Dream Center would be able to support our local community through a food pantry, clothing closet, and after school programs. Big outreach nights will be held monthly to reach into the community and provide multiple services for those in need.

## *Addiction Recovery*

Compass North Church has become a beacon of hope in Northeast Ohio for addiction recovery. We know God is not done yet. Through Celebrate Recovery and future initiatives, we plan on reaching more of our community who needs to see the hope Jesus can provide in their lives.

#### *Bridges Learning Center*

We are dedicated to helping kids in our community. Bridges Learning Center has many students who come from underprivileged homes. In the past we have supported this school with classroom supplies, parties, Christmas gifts, and food drives.

### *Serve Day Initiative*

Each year Compass North Church, along with hundreds of other churches around the globe, participate in a day of serving our local communities. In the past, Compass North has beautified more than 25 homes around Akron and two safe houses for RAHAB Ministries.

# NATIONAL

## *Church Rescue Initiative*

10,000 churches in the US close each year, which means almost 200 churches close every Sunday. Church Rescue is here to make a difference by offering financial assistance, free ministry leadership conferences, and much more to struggling and declining churches nationwide.

## *Church Planting Initiative (ARC)*

The Association of Related Churches (ARC) supported Compass North Church as a church plant, and to this day Compass North is an ARC partner. We support ARC in their mission to train and coach pastors, and plant churches around the world. To date, ARC has planted over 1000 churches, with new church plants launching weekly. Compass North Church is church plant #356 of ARC. Every dollar Compass North Church gives to ARC goes directly to planing a life-giving church just like our church.

## *Convoy of Hope Feeding Initiatives*

Convoy of Hope is a faith-based, nonprofit organization with a driving passion to feed the world through children's feeding initiatives, community outreach, and disaster response. Convoy of Hope's goal is to bring help and hope to those who are impoverished, hungry, and hurting. Through existing giving, Compass North already provides meals for 68 kids through their Feed One initiative.

## *Roof project for our Hope Center in Haiti*

Compass North Church has partnered with One Child Matters to sponsor a hope center in Ouanaminthe, Haiti where several partners in the church have sponsored children to receive meals, education, and other essential needs in their lives. The roof project for the hope center is a much needed boost for the stability of the building so that the children can come into a safe and well-maintained space.

Convoy of Hope  
serves in over 25  
countries all over  
the world.
